The restaurant offers free WLAN for its customers, And into the accessible rooms also come customers with wheelchairs or physiological limitations. If the weather conditions are right, you can also be served outside. What [Mandy Meloon](#) doesn't like about Joe's Taqueria:

Look forward to the *diverse, scrumptious Mexican cuisine*, traditionally prepared with corn, beans and chilies (hot peppers), A **catering service** offered by the restaurant allows you to enjoy the meals on-site or at the function.
