Fans of **Korean cuisine** are in the right place here: With Kimchi, the most diverse versions, preparations of Bibimbap, Bap, you will also find various, tasty Jjigae that please the palate, Furthermore, the customers love the creative combination of different menus with new and partially experimental products - a good example of successful **Asian Fusion**. You can also relax at the bar after the meal (or during it) and enjoy a alcoholic or non-alcoholic drink, In addition, the drinks menu that is offered in this established eatery is impressive. It offers a wide selection of beers from the region and the whole world.
