Went on Cinco de Mayo food was awful. Rice was bland and cold, refried beans were watery(never seen that before)plates legit looked dirty, and to top it off was charged twice for the same entree! Brought it while paying the bill, woman adjusted/ printed new bill, paid and two days later seen they still charged me for the entree. This place is pathetic and there are waayyyy better [Mexican](#) restaurants nearby [read more](#). Get excited about the diverse, delicious [Mexican](#) cuisine, which is traditionally cooked with corn, beans and chilies (hot peppers), The fine **sandwiches**, small salads and other snacks can be planned well as a snack.
