I love this place where they have fresh fruit and vegetables. Although the girls in the kitchen should do better I am allergic to pickles and I said no pickles home and boom there are pickles in my salad this is not my first time to get tuna bowl and why there is boiled egg in my salad this time? Many people are allergic to animal products we should not be asked in advance if we want it?! [read more](#). The diner is accessible and can therefore also be used with a wheelchair or physical limitations, and there is complimentary WLAN. What [User](#) doesn't like about Powerfuel Smoothie Shop II:

I visited this location about a month ago and ordered 2 smoothies which were good. I decided to do a delivery order today and ordered the Freshly Squeezed Orange juice and Orange Carrot juice 20z. Both juices were absolutely disgusting!!!! They both tasted spoiled and smelled spoiled! I don't understand why someone would use spoiled or rotting fruit to make juice? I definitely won't be ordering from here any more. [read more](#). An additional service offered by the establishment is the catering service for guests, Among the visitors, especially fine *juices* are highly sought after.
