What [Sarah A](#) likes about Rachel's Ginger Beer: You will not be disappointed. This place has an amazing selection of ginger beer in so many different flavors. They also make cocktails and serve soft-serve. It can get busy but I've never had a problem finding a place to sit. I would definitely recommend. [read more](#). The premises on site are wheelchair accessible and can also be used with a wheelchair or physiological limitations. What [Kai Dww](#) doesn't like about Rachel's Ginger Beer: There are a lot of things that people don't understand when it's evaluated. I ordered a regular ginger beer, but I think it's a drink close to lemonade. I wonder if you know the taste of ginger beer, and I don't know if the fermentation is not perfect or if it's under-aged, but I don't recommend it. I think it would be wise to drink other kinds of cocktails. [read more](#).
