I would highly recommend you try this location if you're in the area [read more](#). You can use the WiFi of the place at no extra cost. What [Adrian Howard](#) doesn't like about Happy Daze Donuts:

I tell my wife all the time that this place overcharges for donuts so I stopped going there. I recently went next door to pick up my dry cleaning and popped in for some donuts. They overcharged for each dozen of donuts that I purchased \$1 from what the price says on their board. These people charge what they want at any time. I'll never go back here [read more](#). In the morning, a **tasty brunch** is offered at Happy Daze Donuts in Aubrey that you can celebrate as much as you like.
