We had a large knife throwing group in town and we ended up at Jason's for dinner. It was great! The stage staff was fast and accurate with our many orders. The food was amazing with large portions for a good deal. And the salad bar puts all other salad bars I've been to to shame! [read more](#). You can use the WiFi of the place free of charge. What [craig armstrong](#) doesn't like about Jason's Deli:

They want you to tip at a cafeteria style restaurant before you get your food. My potato came out undercooked and the person behind the counter was a tad rude about it. [read more](#). Don't you like waiting long for your food?!

Then the array of prepared delicacies is exactly the ideal solution for you, For a snack, you can also have the delicious sandwiches, small salads and other snacks. It goes without saying that a suitable drink completes a meal; therefore this *gastropub* offers a sophisticated selection of fine and regional alcoholic options, be it beer or wine, You can also discover nice South American menus on the menu.
