3.5 Pretty good food. We ordered the chicken burger which was flavored well, the peri peri chicken bowl (loved the rice but it lacked flavor), 1/4 chicken breast which was good the boneless chicken which was well cooked and spicy. Staff was okay, but we loved the ambience. Really quick service too, we were surprised at how fast the food came!. At Nando's Peri-peri from Washington DC you can enjoy delicious [vegetarian courses](#), in which no animal meat or fish was used, And of course, you should also try the **fine burgers**, with sides such as fries, salads, or wedges served. Finally, the best national dishes from **Portugal** can also be found on the menu card - this includes not only the diverse fish dishes; the presentation is also part of the experience, offering a vibrant arrangement on the plate.
