Cute little coffee shop in what is essentially a shipping container! You never have to wait long and the prices are reasonable for the coffee you get. As I've started going recently, my order has been an Iced Coffee/Cold Brew with 1-2 pumps of the brown sugar cinnamon (I think that's what it is) syrup and I am ready for the day! Excited to see what other seasonal flavors they come out with! [read more](#). The restaurant also offers the possibility to sit outside and eat and drink in nice weather, and there is complimentary WLAN. What [User](#) doesn't like about Brash Coffee:

All the brash spots in Atlanta are awesome, but I especially love this one. Such a good takeout spot to grab a coffee and explore the west side, check out room board or east fork, and just have a really casual but high quality coffee experience. I worked in Sydney for 8 weeks in 2022, and this is probably the closest thing in the states to that kind of takeaway experience. Just super high grade stuff. [read more](#). Brash Coffee from Atlanta is a **cozy café**, where you can have a small snack or cake with a **warm coffee or a hot chocolate**. The guests of the establishment are also thrilled with the extensive selection of various coffee and tea specialities that the restaurant offers.
