This is the best place to get Cocido, and shrimp cocktail. I also order the two burritos plate. The food is always good and the value is even better. I try and eat here when ever I can. [read more](#). What [Kenny Wang](#) doesn't like about Trine's Cafe:

We ordered a tortas de camarones, which on the menu it said it was \$13.75. We were expecting a shrimp dish and once we got the bill we were charged \$18 and then when we got home there were no shrimp! It was just a bunch of peppers, rice and beans. Maybe it's better if you do dine in so that you can make sure you get what you ordered. [read more](#).
