This pizza is delicious! Sometimes it’s difficult to find good non-tomato sauce pizza, but De Luca’s came through! We ordered a Fresh Garlic Pizza with a white sauce instead of a tomato sauce and I’m not sure if it’s standard, but they put a garlicky Alfredo sauce ON TOP the pizza and it was AMAZING. I had never had this before! I 100% recommend!! read more. As a visitor, you can use the WLAN of the place at no extra cost, And into the accessible rooms also come customers with wheelchairs or physiological limitations. What Nadia Cano, PhD doesn't like about De Luca's:
Pizza was good but poor customer service will make this my 1st and last visit. The older, bald gentleman complained when I parked in front of the establishment to pick up my food and it didn't get better after that. read more. The establishment also offers its customers a **catering service**, and you can expect typical **Italian cuisine** with classics like pizza and pasta. Naturally, they also provide you with crisply crunchy pizza, baked straight from the oven in original style, Besides the tasty sandwiches, healthy salads and other snacks also make a good snack.
