What [User](#) likes about Eddie's [Pizza](#): [Pizza](#) (we got the Mazzone specialty [pizza](#)) and cheese bread were hot, delicious and delivered super quick! The dough of the cheese bread was especially great- baked just right in the center and crispy on the edges. We are happy to have found this local gem and will be ordering regularly. Thank you!!! The food lacked seasoning and flavor. I ordered chicken tenders which came with fries and coleslaw. Sadly, the best thing was the french fries. My friend ordered wings and cheesecake. We knew it wasn't going to be that great when we saw that the cheese cake was packaged in a hot dog container. Perhaps it's one of those situations that you don't order chicken from a [pizza](#) place.
