What **[Joanne Dahlia](#)** likes about Capriotti's Sandwich Shop: This was our first time to this particular Capriotti's the food is always good the staff was very nice and knew their job. only thing I really did not like was the very very loud music playing. the booths were solid wood and very hard otherwise nice restaurant clean and great staff. I was contacted by someone with the company and said she would take care of the loud music. Thank you for doing that. **[read more](#)**.
