In case you're craving some fiery South American cuisine, you're in the right place: delicious menus, prepared with fish, seafood, and meat, but also corn, beans, and potatoes are in the menu, You can take a break at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks. It should not be forgotten that there is a comprehensive diversity of **coffee and tea specialties** in this locale, and you can try fine American meals like Burger or Barbecue.
