1st time visitor had Lunch date with my kid. Don't ask for sample; Before you purchase your food. Even though they have toothpicks to offer it. You will get a dirty look from Little old lady. She was mad rolled her eyes. Didn't bother me I laughed it off. My sons orange chicken and rice was delicious. I ordered teriyaki chicken young man was cooking. He was making it fresh when I walked in. Felt like my chicken meat wasn't seasoned at all. so when I put the packet of sauce on it made it worst. The interior decor was clean and modern. Maybe I'll just try something else next time. My kid enjoyed it so thanks. In Panda Express from Cuyahoga Falls, expect **versatile, fine Chinese cuisine** that's traditionally cooked in a wok, and you can look forward to the delicious typical seafood cuisine. *Dishes are usually prepared in the shortest time for you* and brought to the table, Furthermore, the magical treats of this restaurant sparkle not only in the eyes of our young guests.
