I had the Texas fajitas, which was steak, shrimp and chicken. The dish arrived sizzling hot, tasty and was very filling. The service was great, the price matched the value of the meal. This was my third visit and the experience has always been 5 stars. [read more](#). You can use the WLAN of the place free of charge. What [MenuPix User](#)

doesn't like about Sante Fe Grill Authentic:

Used to be my favorite Mexican restaurant. My family and I would go 1 to 2 times a week. I always enjoyed the [vegetarian](#) section until they took it off the menu. Yes they still offer vegetarian BUT instead you have to order separate so the vegetarian plate gets expensive. Not that it bothers them to lose our business but have to put my opinion out there. We go to Cassidores now. [read more](#). Look forward to the *diverse, tasty Mexican cuisine*, traditionally prepared with corn, beans and chilies (hot peppers), The atmosphere also makes the tasting of typical Western dishes and drinks an unforgettable experience. Furthermore, you can order fresh **grilled barbecue**, there are also **delicious vegetarian menus** on the menu.
