I love Longhorn Steakhouse, they have the best Outlaw Ribeyes! When I lived in Columbus I ordered a ribeye every Friday and would pick it up on my way home from work!! The wedge salad is divine and they used to have Indian corn on the Cobb that was sooo good but they stopped serving it, don't know why? Their stuffed mushrooms are good too..sweet tea was great, man wish I was in Columbus right now...getting hungry lol [read more](#). What [J C](#) doesn't like about Longhorn Steakhouse:

Food was good. Our waiter was poor. He seemed cordial enough, took our order within 15 mins of us being seated...but repeatedly disappeared for long periods of time. It took over 45 minutes to get served in an almost empty restaurant. People who came 20 minutes after us with same party number of two were eating their entrees while we watched. We had to alert other personnel management to get served properly. [read more](#). A visit to Longhorn Steakhouse becomes even more rewarding due to the large diversity of *coffee and tea specialties*, and you can indulge in scrumptious American menus like Burger or Barbecue. Fresh seafood, meat, as well as corn and potatoes are also South American grilled here.
