After being hungover for the last 2 days since Friday night this place saved me. Absolutely delicious and fare priced. 3\$ beef skewer appetizer is very tasty and hard to find now a days. Especially at 11pm on a Sunday. [read more](#). In beautiful weather you can even eat in the outdoor area, and there is free WiFi. What [Paul Liu](#) doesn't like about Bia:

Server is very rude. Expect 20mins+ wait to get the menu. If you have all the time in the world, feel free to go. There are a couple of authentic vietnamese places couple of blocks away. You will be much better off there. [read more](#). During a meal, a good drink is essential. In this **gastropub**, you not only get delicious menus from the menu but also a comprehensive and particularly good assortment of good beers and other alcoholic beverages that go well with the food, It's possible to chill out at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks. It's precisely the freshness and lightness together with the original Vietnamese spices that not only brings tasty dishes to the plate, but also puts the guests into a pleasant holiday feeling for a short time.
