Absolutely love that they have a protein taco option and they are DELICOUS! Been going here for YEARS and we moved to MN so whenever I'm home this is a must stop. Also one of the best breakfast burritos. I can never eat the whole thing. Tortillas are fresh soft and don't overtake the burrito so you can taste all the goodness inside. read more. In beautiful weather you can even be served in the outdoor area. What User doesn't like about Cilantros Tacos:

Never had to check my orders from this place because they were always on point and my order was never wrong. Today I ordered asada on 1 of 4 tacos and got charged but conveniently the asada was not put on the taco. They were not busy so very disappointed this happened. Tried calling to let them know that and no answer. Hopefully one of the cooks/ other customer enjoys the side of asada that's missing. read more.
