We've come here for years, and this is one of our reliable local boba places. We walked over and saw they had a buko pandan flavor in their creme brulee series, so we got it at 75% sweetness and with honey boba. It may have ended up being \$6 for a regular size boba, but it was actually amazing. The pandan and coconut worked so well together for a creamy, interesting flavor. The 75% sweetness with the honey boba made... [read more](#). The rooms in the restaurant are wheelchair accessible and can also be used with a wheelchair or physiological disabilities, and there is free WLAN. What [Kiana O'Kon](#) doesn't like about Bounce Boba Lounge:

- 1) I ordered from Talabat and when my delivery arrived the food are all spilled.
- 2) There was a foreign... some kind of leaf in my drink, I hope its actually tea leaves... ?
- 3) I ordered pretty late like.. 10pm.. and the bobas that they gave me are practically unedible. Still harder than a jawbreaker candy... Was hoping itll be juicy from all the sugar it marinated with the whole day. I wish I could add photos but unfortunately it was chucked in the bin... (didn't actually plan on reviewing it here).... But one fail after the other.. its just too much. The large variety of coffee and tea specialties greatly enhances the value of a visit to Bounce Boba Lounge.
