Pauline is wonderful! We ordered a very specific, detailed cake and Pauline nailed it! The cake looked identical to the photo we showed her, but even better! Highly recommend! read more. What User doesn't like about The Dessert Fork:

2nd visit here. The service was helpful and it was clean. I again was the only customer party in the establishment. It just may be MY taste, but I'm not a fan of how the SWEETS taste. Something... was missing... it seemed fake to me after all these many years of eating from other bakeries. I came over a year ago to try, same thoughts. Perhaps the no preservatives has that change in how it tasted. Idk?? I don't think I'll return, but my other part of my party may return. ?.
