A very nice restaurant. The atmosphere is outstanding and the staff are very attentive without being obtrusive. The food is a different take on the usual [Mexican](#) cuisine. Seems to be toned down and somewhat americanized. This is not say it wasn't good. We found it very tasty. A good choice if you're after a milder flavor of food. [read more](#). What [User](#) doesn't like about La Catrina:

\$100 to make a reservation?!! And if you don't use it all on food you only are refunded by a gift card. For cheap Mexican food that is insane. They won't even get me in the door with this ridiculous policy. The restaurant is accessible and can therefore also be used with a wheelchair or physical disabilities, Depending on the weather conditions, you can also sit outside and eat. WiFi is available free of charge. Get excited about the **diverse, delicious Mexican cuisine**, which is traditionally cooked with corn, beans and chilies (hot peppers), Furthermore, the drinks menu in this restaurant is impressive and offers a good and extensive selection of beers from the area and from worldwide, which are definitely worth a try. At the bar, you can also relax after the meal (or during it) with an *alcoholic or non-alcoholic drink*, A **catering service** offered by the restaurant allows you to enjoy the dishes at home or at the party.
