I had been craving tamales all day and got these last minute. Great service and even better food! The cheese jalapeño were my favorite although the chicken were a close second! Their green salsa is spot on! Will definitely be back, thank you! read more. What User doesn't like about Marisela's Tamales:
The lady who took care of me, definitely was very sweet and very kind but the food no. Not worth it. For it being Barbacoa, dry like the grass out here and on top of that Disappointing to be even considered Mexican food. Just no. The tamales were alright but too damn small. A piece of cheese and 1 jalapeño rolled like a taquito. Screw that. Wasn't worth my $15. read more.
