They gave me a free order of shrimp, but it was still equivalent of how much they normally used to put shrimp altogether so they gave me one for free, but really didn't because that's how much would normally be in the regular pan [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical limitations. What [Jamie Hawkins](#) doesn't like about Fisherman's Island:

I liked this place but everything tasted un done (told him shrimps was raw cause they was grey but he claims since they were busted open they were done well sir if they busted open then they should be red or light orange not freakin grey something is definitely wrong with shrimp crableg meat was so crumbly ????? Be foreal!!)will be contacting business bureau because I'm nauseas sick to my stomach I can't believe them... [read more](#).
