**Extra Life**  
**Amber Ale (Beta Beer) – 6.0% ABV**  
Special Ingredients: Phoenix Hops

Phoenix leather may get you an extra guy in some games, but in the real world, sometimes getting through a sticky situation requires beer. Extra Life Amber uses Phoenix Hops to give players a little extra when the need it most. This medium-bodied amber is molly and refreshing. Extra Life Amber was originally brewed as Ani-Ale in honor of the city of Avondale for all of their support for our brewery. It was intended to be special for city events, but after several guest requests, we quickly added this fan-favorite onto our beta taps for a time. Enjoy it while you can – you never know when you'll run out of extra lives!
