This shop is conveniently located one block off from Bourbon street (good place to recharge after drinking lol . It has a cool atmosphere and prices are super reasonable. Baristas (at least the ones I've seen there was really cool and polite as well. So highly recommend to stop by there for a coffee ?????????? [read more](#). You can use the WLAN of the establishment at no extra cost, Depending on the weather conditions, you can also sit outside and eat and drink. What [Gypsy Morrill](#) doesn't like about Cc's Coffee House:

2.5 years ago my puppy was not allowed inside bc he was not a service dog. Now he is allowed but there are pets allowed and not one employee asked the 2 ADA questions that are there to protect disabled service dogs/handlers. There was even a puppy sitting in a chair with his owner which is not what a service dog is even allowed to do. Do better CCs. My dog is task trained but for staff to just allow any dog inside bc they love dogs. What if a pet attacks a kid inside? ADA.gov is important or is CCs now pet friendly inside now? Coffee is good but I can get tea and egg bites at other shops. At Cc's Coffee House from New Orleans, different exquisite French dishes are served, and you can indulge in scrumptious American meals like Burger or Barbecue. Not to be left out is the large diversity of *coffee and tea specialties* in this restaurant, You'll find delicious South American meals also on the menu.
