The premises in the restaurant are wheelchair accessible and can also be used with a wheelchair or physiological disabilities, Depending on the weather conditions, you can also sit outside and have something. If you're craving for some **tasty South American culinary arts**, this is the place to be: delicious dishes, cooked with fish, seafood delicacies, and meat, but also **corn, beans, and potatoes** are on the menu, for breakfast they serve a *extensive breakfast* here. Furthermore, you'll find fine American dishes, like for instance burgers and grilled meat on the menu.
