This little gem has absolutely the best donuts I've ever eaten. Soft with yummy fluffy filling. Not too sweet. Just right! The counter was full of all types of delicious flavors. And, they have breakfast sandwiches too! It was fantastic! Can't wait to go back and try more! [read more](#). What [angela peek](#) doesn't like about King Donuts: Great donuts, but they never make enough. It's always a 50/50 if they will even be open past 10am even though their hours are supposed to be until 2pm. Atleast when dunkins opens up they will have stock even if theirs isn't as good. Kind of to the point it feels like a waste to even check Kings anymore. [read more](#). The diner and its rooms are wheelchair accessible and thus reachable with a wheelchair or physical limitations. In the morning, you can enjoy a **rich brunch** at King Donuts, freely at your own will, Also, the customers of the establishment love the comprehensive variety of various **coffee and tea specialities** that the restaurant has to offer.
