What [User](#) doesn't like about The Pastrami Shoppe:

I never believe a review until I try a place for myself. Sometimes mean people just try to say a review is bad when its not. Well this was beyond terrible. In case you're craving some fiery South American cuisine, you're in the right place: exquisite meals, cooked with *fish, seafood, and meat*, but also corn, beans, and potatoes are on the menu, and you can enjoy here fine American dishes like Burger or Barbecue. Finally, this place also provides you with a rich variety of different, **already prepared specialties**, The yummy **sandwiches**, healthy salads and other snacks are also suitable for a snack.
