The best [Mexican](#) food my son and I have ever had!! Very nice people and atmosphere. The green and red sauce were so flavorful. The rice was the best as well I have ever had. SO GOOD! [read more](#). What [User](#) doesn't like about Perico's Fast Tacos:

The food is really good but they have a difficult time being open and available at the hours that they claim to be. There's been multiple occasions they close before 8 pm and they also don't answer the phone. It would be nice if they actually stuck to the hours they claim on the door and online. Or if they had the courtesy to let customers know before we make the drive. The lack of communication is terrible. [read more](#). Look forward to the **diverse, fine Mexican cuisine**, traditionally prepared with corn, beans and chilies (hot peppers).
