This is my favorite hot pot place. The flavor of the broth is very mild so it does not interfere with the ingredients that you add into it. I love the sauce station so you have more control of the flavor of what you eat. The staff members remember us and always take great care of us when we come. Veggies are always well stocked and fresh. Love how thin their meat is. Makes it super easy to cook and eat. [read more](#). The premises in the restaurant are wheelchair accessible and can also be used with a wheelchair or physiological limitations. What

[User](#) doesn't like about Shabu Town:

The customer service was great! They continuously came to check and make sure everything was great! I love the amount of options at this place, but the flavor in broth wasn't there. The broth had no flavor that I had to add things like soy sauce, sesame oil, and spicy peppers into it. Maybe it was just the type of broth I got which was the Shabu House Special Spicy.
