Just moved to this area and had been looking for a decent Mexican restaurant. I understand that there's an abundance of them out in the area but finding a GOOD one isn't as easy as you'd think. Their menu is simple but I have yet to try something that is not good. Their burritos, tortas and nachos are great! For some reason their hours are listed as 1900-2100 but they are open from 1000-2200. [read more](#). The restaurant offers complimentary WLAN for its visitors, And into the accessible rooms also come guests with wheelchairs or physical disabilities. Anticipate the **varied, delicious Mexican cuisine**, which is usually prepared with corn, beans and chilies (hot peppers).
