Real Hainan chicken with flavorful rice. One of old school hole-in-the-wall business for 30 years. The price is decent too. My parents have been stable patrons for many years. They also have a few traditional Chinese dishes too. Will definitely go back! [read more](#). What [Teri Yeh](#) doesn't like about Dong Nguyen:

\$14 cash for their Hainan chicken rice in 2023. it's decently good but it's too pricey for 8pcs (but really 6 due to bones) of chicken atop a huge bed of white rice and a container of sauce and soup. soup was decent but veggies in salty soup. at this price point, there's too many other options I'd go for that are more nutritious or better value. The large range of coffee and tea specialties makes a visit to Dong Nguyen even more worthwhile, In addition, numerous guests look forward to enjoying **traditional Vietnamese menus** with the perfect hint of Southeast Asian flavor during a stop at the Dong Nguyen. The *versatile, exquisite Chinese cuisine* has many followers among customers.
