The place from Broad Channel offers **10** different meals and drinks on the menu at an average \$4.4. The restaurant offers complimentary WLAN for its visitors, Depending on the weather, you can also sit outside and eat and drink. What [Peter Logan](#) doesn't like about Hungry Ghost:  
The drip coffee is incredibly weak. It tastes like water. I asked the barista why, and he said that he agrees but can't do anything about it. It's mandated from the higher ups to brew filter coffee at this particular level of strength. If someone from HQ reads this, please address it. Why am I paying \$4 for a cup of hot water? [read more](#). Hungry Ghost from Broad Channel is a *snug café*, where you can enjoy a snack or cake with a **hot coffee** or a **hot chocolate**, The visitors of the establishment also appreciate the extensive variety of differing coffee and tea specialities that the establishment has to offer.
