The restaurant from E St, Florence-Graham offers **10** different *meals and drinks* on [the menu](#) at an average price of \$8.9. What [User](#) likes about Lumpia House:

Went to this location after the other was closed two days in a row. I liked the inside of the restaurant, and the table service was good. The lumpia was not up to par. They were very greasy likely due to the cooking temp. Vegetarian options: Any non-meat noodle dishes are an excellent vegetarian option. [read more](#). As a visitor, you can use the WLAN of the establishment free of charge. What [User](#) doesn't like about Lumpia House: Called to place a pick up order and asked if they have halo halo and she said they did. I get there and had to wait and she refused to make halo halo because she's too busy when there's literally only two people dining in and myself in there. Food wasn't even good either.
