The restaurant from Nas Joint Reserve Base Fort Worth offers **10** different **dishes and drinks** on [the card](#) at an average \$5.2. What [Logan C](#) likes about Andy's Frozen Custard:

This is the best place I've ever had dessert, employees were fast and quick. They help me decide what I wanted to get as well as what I may get for future visits. Every employee was smiling and having a good time while serving me and quite honestly, it's the best experience I've ever had. With movie Tavern and panda express close by. I highly recommend this place to anybody. [read more](#). What [Tammy Hatcher](#) doesn't like about Andy's

Frozen Custard:

I ordered a simple sundae...soft serve, pecans, hot fudge, and one maraschino cherry. They charged \$7 ! Do not waste your money you can go to Braum's and get twice as much for less. They are way too high for what they give you. [read more](#).
