Chattahoochee Coffee Company is a stylish coffee house in an apartment complex. It's bright and cheerful. I got an latte over ice, hubby got iced coffee. Both were okay. There were free electric car chargers in the parking lot in the back of the building. We used them to charge up our hybrid. [read more](#). The place also offers the possibility to sit outside and eat and drink in beautiful weather, and there is no-charge WLAN. What [Heather Lowry](#) doesn't like about Chattahoochee Coffee Company The Eddy:

The chocolate croissant was terrible...it was cold in the middle and barely a hint of chocolate surrounded by too much pastry. The seating was terrible....not a lot of good areas for more than 1 person to sit and chat. The chocolate cookie was good. Service was great and the guy behind the counter was very nice.
