Always good food, everything is fresh, hot a good. Being fresh and a small location it can get backed up from time to time (be patient it's worth the wait). Skip the drink the pop machine isn't the best and the cups are not a great size. [read more](#). The diner is accessible and can therefore also be used with a wheelchair or physiological disabilities. What [User](#) doesn't like about China King:

The food here is made with good raw materials. This makes their food taste good, even it is not authentic Chinese food but typical American Chinese food. We ordered seafood delight, sesame chicken, pepper steak with onion, and dumplings. All tasted delicious. We drove from Chicago and found this restaurant on our way. We are very pleasantly surprised.
