What [Hannah B](#) likes about Tokyo Wako:

I only go to Japanese restaurants for sushi, this place has the best! My favorite roll is the spicy salmon which I had to specially request, but I ended up getting an additional roll! I would recommend this place to anyone. It's also walkin distance from the hyatt hotel which is a plus. [read more](#). The rooms on site are wheelchair accessible and can also be used with a wheelchair or physical limitations, Depending on the weather conditions, you can also sit outside and have something. What [User](#) doesn't like about Tokyo Wako:

Slightly run down location, but very clean! We got there right at opening for lunch, ordered a roll and shrimp fried rice. The salmon on the roll seemed off. The shrimp in the fried rice were over cooked but the flavor was really great. Waitress was not the most attentive, but was nice. Bathrooms are very clean. [read more](#). In the Tokyo Wako from Long Beach, a lot of emphasis is placed on the preparation of easy-to-digest, flavorful Japanese dishes with fresh vegetables, fish and meat, on the menu there are also a lot of Asian menus. You can also look forward to **delicious vegetarian cuisine**, Furthermore, the guests love the creative combination of different menus with new and partially experimental ingredients - a good example of successful Asian Fusion.
