Quick service and yummy tacos, but their menu is much smaller than the East location so I missed out on some of my go-tos. Ordered the one veggie taco and it was a nice pre-flight snack. The place also offers the possibility to sit outside and be served in nice weather. What [User](#) doesn't like about De Nada Tacos:

We tried the shrimp and veggie tacos. I had high hopes to eat some good food outside. Absolute disgusting and expensive. We recommend just ordering the chips and queso.
