You guys! This is delicious. I mean I can totally break my health craze to try everything on the menu. Great, friendly employees and the food is amazing! My Jamaica(hibiscus tea)was perfect! The salsas are the perfect amount of heat and flavor.One tiny suggestion the torta didn't have enough asada I mostly tasted the beans. Maybe add more beef. It was still delicious! [read more](#). We had been wanting to try this place since they opened, finally went this evening and were so disappointed. Our quesada tacos had like 2 strings of cheese in them and the tacos were not crispy . The consome wasn't even red and didn't add anything to the taste of the tacos, just made the tacos even softer. The meat was good and the Agua Fresca was good, that's the only thing I can say we enjoyed. [read more](#).
