Recommend I order *Vuelve a la vida grande*, which has everything oysters, shrimp, octopus, the works! I also get the fish or the shrimp batter tacos. It's a must-try and tastes fantastic. They are hard to hold, but I dump everything in the tray and scoop it up with the tortilla. Also, you can't forget the money here is the *tacos dorados de camarón*. I'd let you take my word for it. [read more](#). When the weather is nice you can also eat outside. The *Mariscos Linda Truck* in East Los Angeles offers various **fine seafood meals**, Many customers are also particularly looking forward to the **diverse, delicious Mexican cuisine**.
