[User](#) likes about The Network:

LOVE The Reagan! Each time I visit, there is a variety of age groups from 20s to 60+ so I never feel out of place.

The atmosphere is relaxing, the food is delicious, and the staff is excellent. They have a wide selection of food and the brunch can't be beat. And the drinks! Not the typical drinks you find at other bars. New, innovative, and smooth. This is my favorite place to spend time catching up with friends. [read more](#). In pleasant weather you can even have something in the outdoor area, and there is free WiFi. The rooms on site are accessible, and therefore

no problem for clientele with wheelchairs or physical limitations. What [User](#) doesn't like about The Network: Worst service I've had probably ever. The chick literally ignored us and we had to tag her down after 20 minutes just to get drinks and it wasn't busy or anything so no excuses. She was just doing absolutely nothing and ignoring everyone. Y'all need to get better waitresses cuz I know I wasn't the only person there that night that never wanted to come back cuz they got ignored all night. [read more](#). Get excited about the **diverse, scrumptious Mexican cuisine**, which is traditionally cooked with corn, beans and chilies (hot peppers), It's possible to chill out at the bar with a cool beer or other alcoholic and non-alcoholic drinks. Viewing various sports games and matches is equally one of the best parts when visiting this *sports bar*.
