service ever! we saw our waiter three times total. that included once to break the leak. they were made of several elements and we had to ask several times for our meal. do not ask them to go to, unless they want to be frozen and have a free show from the irritated employees. but they have not taken care of their breaks! I would drive all the way to ogden for the great service at this place. [read more](#). It's definitely always an experience to be in a typical saloon and to consume; to feel like a cowboy for once with a beer and also the **finger food like crispy fries, onion rings or a delicious burger**, this **sports bar** is a favourite among the guests, who enjoy not only the fantastic food and drinks, but also the opportunity to watch the latest games or races on the big TV. With fresh seafood, meat, as well as beans and rice, here they also South American grill, You can take a break at the bar with a cool beer or other alcoholic and non-alcoholic drinks.
