[Aiyana Spencer](#) doesn't like about Sumo [Sushi](#):

good? not really. I knew it wasn't a Japanese sushi, I should have known better. sometimes they can get good sushi, even if the boss/owner is not Japanese. Unfortunately, this is not the case. Don't get me wrong, it's not terrible, it's just not really good. I have seen some reviews where people love this place. cannot really imagine why it is nothing special, certainly under the average I have sushi for many, many y... [read more](#). In the kitchen of Sumo Sushi in Newport, original **Asian spices tasty traditional dishes** are prepared, and it's made with lots of fresh vegetables, fish and meat, easily digestible Japanese meals prepared. The delicious *Sushi such as Maki and Sashimi* however, is the undisputed highlight of this establishment, The inventive fusion of different dishes with fresh and partially daring products is highly valued by the guests - a good example of Asian Fusion.
