Meh I love historic food joints with a vibe. The place is cool, don't get me wrong. The burger? It was average at best. I definitely would not go out of my way for it and would not wait longer than the normal cook time for it. They break rule #1 of a juicy burger by using a burger press on a flat top. Either smash the burger or just let it cook. Using the press results in a dry patty. Given the odd lighting I couldn't... [read more](#).
