On this webpage, you can find the **complete [menu](#) of Toll House Tavern** from Union. Currently, there are **17** dishes and drinks available. One recent review for the restaurant complained about being shamed by a waitress for drinking Diet Pepsi while pregnant and being touched without consent. Another customer was disappointed to find roaches in the kitchen and felt the food was mediocre. A different guest found the music too loud to the point of discomfort. The final review was much more positive, with praise for the jumbo Chef Salads and vegetarian options, as well as compliments for the friendly staff. Overall, the restaurant appears to have a mixed reputation with some customers experiencing issues with service and cleanliness, while others enjoy the food and atmosphere.
