A complete [menu](#) of Steak and Shake from Topeka covering all 16 dishes and drinks can be found here on the food list. The restaurant in question has received a mixed bag of reviews, with some customers complaining about the lack of customer service, cleanliness issues, and rudeness from the staff. On the other hand, there were positive comments about the food quality, especially the hamburgers, and the exceptional customer service provided by some employees. Despite issues with ordering on kiosks and waiting times, many customers appreciated the overall dining experience and found the prices to be reasonable for the quality of food provided. In conclusion, while there were some hiccups in terms of service and atmosphere, the general consensus seems to be that the food quality and customer service ultimately prevailed, leading to mostly positive experiences for diners.
