A complete [menu](#) of Anthony's Fish Grotto from La Belle featuring all 67 dishes and drinks can be found here on the list. Anthony's restaurant offers a charming ambiance with its old-world kitsch decor and picturesque outdoor seating by the lake. While the setting delights, the service experiences are mixed, especially during busy times like Valentine's Day, leading to long waits and occasional lapses in order management. The [seafood](#) dishes, including snapper and clams, have garnered varied reviews, with some praising their taste while others find them bland or overcooked. Mixed drinks, unfortunately, often miss the mark. Yet, attentive staff like Robert leave a positive impression, suggesting potential for improvement on quieter days. Overall, a place worth a visit, but perhaps not during peak hours.
