larger than expected menu. I had the chicken with rice and it was perfectly cooked and juicy. Good side salad and big piece of bread. Only negative thing I have to say is I enjoy a glass of milk with my dinner and they don't have milk. I'm only in Chicago for two nights and I will eat here again tomorrow [read more](#). What [User](#) doesn't like about Spectrum Bar & Grill:

We were waited on by the owner and we truly amazing. We arrived earlier in the day so he didn't have much staff there to help him... we noticed that everyone who came in was treated with a hello or even a handshake. As more staff members came in for their shift it showed that even the staff was happy to help and be working there. We will most definitely eat there again [read more](#). During a meal, a good drink is essential. In this gastropub, you not only get delicious dishes from the menu but also a comprehensive and particularly good variety of *good beers and other alcoholic beverages* that go well with the food, One can also find some international meals to choose from on the menu. Fresh seafood, meat, as well as corn and potatoes are also South American grilled here, A catering service offered by the restaurant allows you to enjoy the menus on-site or at the function.
